Term 4, Week 8, Thursday 25th November, 2021

Dear «ParentCarer_Name»

In spite of all the weather, illnesses and COVID test we managed to achieve a few tasks over the past fortnight.

Last week the sandpit was finally finished, the new shade cloth and cover was fitted just in time for our first Kinder Transition session last Tuesday afternoon. Four pre-schoolers joined us for the afternoon. The students enjoyed showing Thor, Cub, Levi and Emily our school and playing with them during lunch time and then the K-2 students invited them into their classroom for the afternoon session.

The rain gods then smiled down upon us this Tuesday afternoon allowing us to have a relatively rain free transition session. We look forward to Thor, Cub, Levi and Emily joining us fulltime next year.

Also last week, we managed to take most of our school photos. However due to absences we were unable to take class and whole school photos. So, we will try and finalise the photos next Tuesday, if students could wear their school shirts next week or even bring them each day that would be good, as we may get them over and done with sooner.

Andrina and I have been busy completing assessments tasks with the students and writing reports. The yearly student reports will be sent home on Friday 10th December, this is the second last week of the term.

Primary students are busy at the moment preparing a digital version of a 'Year Book' for families to enjoy and actually see some of the activities and the learning that has taken place over the year. Students will download their presentations onto a USB and these will be sent home with school photos and reports. This will take the place of our usual end of year celebrations.

Kind Regards,
Jo Boland
