Term 2, Week 5, Friday 27th May 2022

Dear «ParentCarer_Name»

We have a few busy weeks ahead for the remainder of term two.

On Friday five students (Sesi, Elka, Tiana, River and Arlo. W) will participate in the Manning PSSA Zone Cross Country event being held near Taree Recreation Grounds. We hope the weather is kind to all the students, teachers and parents attending on the day.

Next Thursday the primary class will travel to Taree Racecourse to participate in a RYSTEM Science Day against several primary schools within the district. We will be combining with Bobin and Mt George students in science challenges throughout the day. We are looking forward to the day.

On Monday 6th June the primary class will travel down to Sydney for four days and again we will combine with Bobin and Mt. George schools. The K-2 students will be travelling to Billabong Zoo on Tuesday 7th June, this excursion is being fully subsidised by the P&C and the school. Everyone is very excited to be finally participating in extra-curricular activities!

At the beginning of week 9, Monday 20th June will be the Small Schools Athletics Carnival all students are expected to attend, and transport will be by private vehicle. The carnival is held at Taree Recreation Grounds, near Saxby's Stadium.

We are planning to hold a Late Harmony and early NAIDOC Day on Thursday 23rd June. The school community is invited, and donations for lunch will be appreciated. More details soon.

Student reports will be sent home on the last day of term, Friday 1st July.

Just a few reminders:

Money (75% of the costs) and health forms for the Sydney Excursion need to be handed by Wednesday 1st June.

We still have a few other permission notes outstanding as well; Billabong Zoo K-2 (no cost), Small Schools' Athletic Carnival and lunch order note (orders due Wednesday 8 Jun. pay on the day) and Permission to Publish note for RYSTEM excursion. If you need another note, please contact the school.

Also there is the parent questionnaire if you could please fill that out as well and send it back to the school that would be appreciated.

Kind Regards,
Jo Boland
